Dear Friends and Neighbors

The Concordville Fire & Protective Association Ambulance strives to keep an affordable subscription program for our residents. The 2023 Subscription price is \$55.00 per household.

What benefit does the resident receive?

The Concordville Fire Co. Ambulance division will accept insurance payments as payment in full for any emergency ambulance calls we provide to members and their households. This saves the member co-pays, deductibles and unpaid balance amounts that insurance does not cover. **We can only waive charges originating from the Concordville Fire Co. Ambulance.**

How much will that save me?

That depends on your insurance coverage. Many residents who need ambulance service save hundreds of dollars. An Advanced Life Support Ambulance Transport typically cost about \$1,100 or more.

Don't my taxes pay for Fire and Ambulance Service?

The Concordville Fire & Protective Association, a primarily volunteer organization, provides Fire and Emergency Ambulance Service to our community saving residents from an enormous tax burden that full-time career emergency services would cost. We receive only modest donations from the townships we cover, and that money is primarily for fire protection.

I donate to the Fire Company; do I have to donate to the ambulance fund also?

The Concordville Fire & Protective Association has two separate fund drives. In the fall of each year, we solicit for the Fire Apparatus, building, and equipment. In the spring, we solicit for the ambulance fund drive. This money is completely separate and is used to provide the most up-to-date ambulances, EMS equipment, and training.

Remember what you contribute to your community, stays in your community where it does you, and the ones you love, the most good.

The Concordville Fire & Protective Association is a 501(c)(3) Organization so all donations are fully tax-deductible.

Please return your donation soon. Please feel free to contact us at (610) 459 – 4749 if you have any questions.
