THE CONCORDVILLE FIRE & PROTECTIVE ASSOCIATION
SERVING THE COMMUNITY SINCE 1928

2024 FUND DRIVE

Every fall we run our annual **Fire Fund Drive**. The Concordville Fire & Protective Association provides Fire & Rescue services to Concord and Chadds Ford Townships as well as a majority area of Thornbury and Birmingham Townships. Our Department operates two Engines, a Rescue Truck, a Tower Ladder, and a Tanker, allowing us to provide outstanding emergency service to our community. (Funds for our Medic Unit and two BLS ambulances are solicited in the spring.) Your generous donations are used prudently to provide the necessary equipment for our firefighters to **help protect your family and property** during any emergency. Today, Emergency Services require sophisticated equipment, advanced training, and complex skills. We cannot do this alone; we depend on your support. Any questions regarding our services please contact us at (610) 459-4749.

ARE YOU AWARE?

Your Fire Department is a combination Volunteer and Career Fire Station.

The Concordville Fire & Protective Association has been protecting our community for more than 96 years. Once completely volunteer, today we have full-time career firefighters on duty 24 hours a day, supplemented by volunteer staffing, who still contribute freely of their time and talents to support our organization.

We respond to more than 1,000 fire and rescue calls each year!

Your donation stays in the community where it does your family the most good. No other donation you make has more potential to help **your family** during an emergency in **your home**.

How few tax dollars we receive!

The Concordville Fire & Protective Association receives less than 25% of its budget from tax dollars. We could not operate without your generous assistance.

We do more than firefighting!

We are trained for, and respond to, many different types of home and industrial emergencies and rescues, as well as vehicle accidents, floods, environmental hazards, and many other types of emergencies. We also provide fire prevention tours and education for the youth of the community.

Your donation is 100% tax-deductible!

The Concordville Fire & Protective Association is a 501(C)(3) organization.

You can help!

The Concordville Fire & Protective Association is always looking for volunteers who would offer to lend a hand when emergencies occur. We provide training and equipment.

For more information call 610 459 4749 ext.101 or see our website.

Thank you for your continued support!
